THE •CUSTOMcorner•

STYLE SHEET - well, a start of one at least...

FONTS

Titles - Roboto Slab bold (Google fonts)
All other text - Raleway - regular, bold & black (Google fonts)
If we need a more condensed font for the cards,
try Open Sans Condensed - another Google font

COLORS

#002d39 - all dark colors (there's no black in the whole site)
#e8e1db - background to most page elements
#ffffff - background for search components and cards
#a2b2b7 - form field and some button background fills

Header is #002d39 @ 75% opacity, blend mode: multiply
Footer is #002d39 @ 50% opacity, blend mode: multiply

All blend modes for opacity is multiply throughout the site.
